## VAL-CO™ Center Belt Community Nest

VAL-CO is proud to introduce the VAL-CO Community Nest. These high quality, waterproof nests can be easily assembled and are very hen friendly leading to a minimum of floor eggs. The gentle expeller, nest pads with holes, and nest bottom that slopes gently, to the center belt, ensure hens don't brood in the nest or go out of production while providing clean, high quality eggs.

### Features:

- Designed for quick assembly
- High-rise or floor mounted
- Use of washable board for tops and partitions
  - Low noise environment creates superior laying conditions
  - Easy to clean, unfriendly to bacteria & mites
- Perforated mats enhance egg cleanliness
- Long-lasting Galvanized wire components

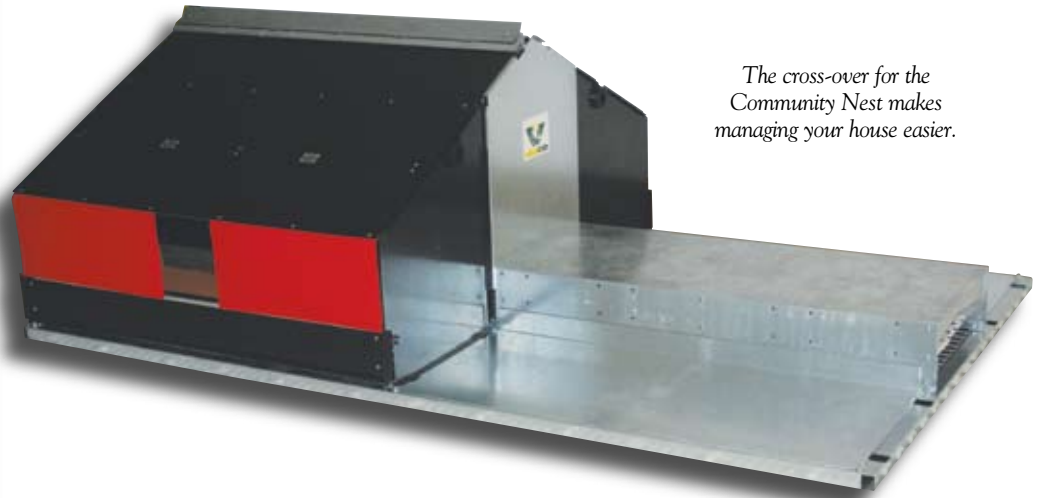

*The Community Nest from VAL-CO is very inviting to your birds.*

*With slide together components, assembly is simple.*

*The cross-over for the Community Nest makes managing your house easier.*
